

Procurement Activity Plan

In 2018-19 the Procurement function at KDH will be focussing on the following activities:-

New Contract Management Process
System development and deployment
Workflow changes
Data integration and migration
Transition existing contracts to new HPV based content contracts
Appropriate Probity training programs provided by HPV to be conducted by relevant KDH staff
Renew significant contracts valued at >\$50,000
Renew contracts expiring with value <\$50,000
Participate in Regional HPV activities to consider opportunities for region based efficiencies where relevant
